

Cyprus

Destination of
Sports
Tourism

Sports Tourism

- At the first quarter of each year due to bad weather conditions in Northern and Central Europe, such as Russia, Germany etc.
- Cyprus combined with its geographical position and the advantage of good weather in the winter months a mild winter with lot of sunshine,
- hosts sports teams from various countries that come to prepare and rest because it provides additional services and high level sports facilities.

Sports Teams

- The teams who pick it as a destination of proper preparation of athletes are mostly football teams. Other sports include:
- ☐ Athletics and swimming groups
- ☐ Water polo
- ☐ Diving
- ☐ Basketball
- ☐ Taekwondo
- ☐ Sailing
- ☐ Golf
- ☐ Olympic Sports preparing

- Cyprus has strong comparative advantages in tourism, which is a dynamic and rapidly evolving field of economic activity
- is already recognized as a rising sports destination with ideal climatic conditions, high levels of service and great accommodation infrastructure.
