The Presentation's framework

Atermon Sports Center

2001

The Atermon Sports Club of Creative Activities for Children (CCAC) has its seat at 12, Kyriakopoulou St. in Thessaloniki. This non-profit Sports Club was established in 2001, through the respective publication at the Thessaloniki Court of first instance

2013

Since 2013 and under the license issued by the Kilkis Sub-District, it also operates as a Center of Creative Activities for children aged 5 – 12, with a capacity of 476 children per shift, and operating during two licensed shifts. Its total capacity reaches 956 children, making it the largest Center of Creative Activities for Children (CCAC) in Greece, seated in Thessaloniki

2015

The ATERMON SERVICES SOCIAL COOPERATIVE SOCIETY is a tourism – cultural cooperative company, established in 2015 and operating at Agios Panteleimon in Kilkis. It is the largest Sports Tourism complex in Greece, with 6 cooperating partners.

2015

The EDATERMON LTD was established in 2015 and it is seated at Paphos, on the island of Cyprus. Its main activity concerns the coaching of sports teams in Thessaloniki and Cyprus.

ΕΔΑΤΕΡΜΩΝ LTD

The ΕΔΑΤΕΡΜΩΝ LTD is a private company, seated in Cyprus, which has started this year an effort to create sports installations which are equivalent to the Model Atermon Sports Center at Thessaloniki and it aims to have completed its project within the next 3 years.

At the moment, ΕΔΑΤΕΡΜΩΝ LTD caters for the Cyprus clients in collaboration with hotels or municipal and private sports installations in the country, while at Thessaloniki it utilizes mainly the installations of the Model Atermon Sports Center Social Cooperative Society.

Cyprus is an emergent sports destination with ideal climatological conditions during the winter months, it offers high levels of service with excellent living and sports infrastructures. It also provides football fields certifications.

Manager/ Representative: Metallidis Lazaros

ΕΔΑΤΕΡΜΩΝ LTD

The ΕΔΑΤΕΡΜΩΝ Ltd company presented the region of Thessaloniki and offered sports infrastructure at the sports facilities of Atermon Sports Club about planning the preparation of individual athletes and teams during the winter period November 2017 - March 2018 and the summer period May 2018 – September 2018.

In the past years we have hosted in our facilities teams from the following sports:

- ✓Football
- ✓Basketball
- ✓Volleyball
- ✓Gymnastics
- ✓Greco-Roman Wrestling
- ✓Kick Boxing
- ✓Tae Kwon Do
- ✓Gymnastics
- ✓Judo
- ✓Swimming

The football pitch

The Atermon Sports Center disposes:

5 football fields with natural grass, night lights and automatic watering system, 60 x 105 (covered stands), 45 x 105 (covered stands), 45 x 80 (open-air stand)

2 football fields 40 x 70 (open-air stand) with complete infrastructure, such as:

- ✓Home Locker Rooms
- ✓Guests Locker Rooms
- ✓Coaches Locker Rooms, which are fully equipped, with teaching rooms, WC and showers.

The football training sessions of our groups take place every day on the open-air fields. This particular activity takes place through training programs for children.

Sports Hall & Gym

Indoor Court

The construction of the indoor, Olympic-size, 25 x 50 court, constitutes an innovation for the infrastructure of the Atermon Sports Club.

The indoor court has:

- ✓ FIBA-approved floors
- ✓ shared locker rooms and shower
- ✓ electronic score board
- ✓ lighting
- ✓ 500-person capacity stands, which can host games and practice for teams of various sports such as: Basketball – Volleyball – Handball – Football– Ping Pong – Wrestling – Boxing – Judo – Tae Kwon Do – Weight Lifting.

The dimensions are 22 x 50 meters (20 x 40 meters) and the height at the edges is 9 meters and gradually increases to the waist reaching 13 meters.

The indoor gym of Atermon Sports Club completes all the required specifications, in order to host the training sessions.

Gym

The gym room is equipped with all the current training and strengthening equipment, satisfying the expectations of athletes who visit the athletic centre.
